

Stuart Trow

- Stuart Trow is a widely published opinion columnist. His work appears in a range of international publications including Bloomberg and the Washington Post. He is also a writer and financial coach.
- This followed a 35-year career as a financial market strategist, which has afforded him a unique insight into the behavioural elements of economics and financial markets
- Previously Stuart was Senior Market Strategist at EBRD and prior to that had senior roles at National Australia Bank and Norinchukin International.
- He graduated from the London School of Economics in Mathematical Economics and Econometrics.
- He wrote the first several editions of *The Bluffer's Guide to Economics*, which were also translated into French, Dutch, Portuguese, Chinese and Slovenian!
- He is currently working on the sequel: *You're Young, You're Poor, Get Used To It!*, which details how modern economics has crushed the life opportunities of the young and disadvantaged.

Global Trade (percentage of Global GDP)
